

## **ASSA PHOTO COMPETITION 2011 - RESULTS**

The Bird Photo Competition held this year was the first time such a competition has been conducted by the Society. It was well supported with entries received from both city and country members.

Thanks to the generous support of wildlife artist Jeremy Boot, the Society was able to present a range of his prints and products as competition prizes. A large framed print of a Laughing Kookaburra was presented to the overall winner.

All photos received were initially viewed by the Committee and a short list presented to members at the August 2011 General Meeting. Members were asked to cast their vote for the best photo in each section and then for the best overall photo.

The voting results were as follow:

### **Junior Section**

Best Finch Photo - Emblema - submitted by Madeline Stewart,  
Best Parrot Photo - Rainbow Lorikeets - submitted by Liam Mounce  
Best Any Other Bird - Kookaburra - submitted by George Rollis

### **Overall Best Junior Photo**

Kookaburra - submitted by George Rollis

### **Open Section**

Best Finch Photo - Diamond Firetail - submitted by Barry Schultz  
Best Parrot Photo - Rainbow Lorikeet - submitted by Jeremy Caldecourt  
Best Any Other Bird Photo - Variegated Wren - submitted by Kevin Williams

### **Overall Best Photo in Competition**

Variegated Wren - submitted by Kevin Williams

Voting for the Best Overall Photo was very close with Kevin William's photo of a Variegated Wren receiving just one more vote ahead of Jeremy Caldecourt's Rainbow Lorikeet.

Over the coming months the magazine will feature many of the photos received for the competition.

Dennis Lomman  
Photo Competition Convenor

**The winning entries are featured on the next page.**
