

THE 2008 BIRD SALE

ENFIELD COMMUNITY CENTRE

APRIL 13th

This year's Bird Sale was an outstanding success, with more sellers and more birds. The feed-back from those sellers spoken to was uniformly positive with most being happy with their results.

The Society's Information Booth was well patronised and a number of new members were "signed up". The Raffle had more prizes than ever, and the Food Stall did a roaring trade with "the best bacon & egg sandwiches in Adelaide". The organisers and workers did an outstanding job, and are deserving of the highest praise.

Hope to see you there next year!!
