

MINUTES
OF
THE GENERAL MEETING HELD AT THE ESTONIA HALL,
JEFFCOTT STREET, NORTH ADELAIDE, JANUARY 11th, 2011

President Richard Chilton opened the meeting at 8:05pm with 62 members in attendance.

Apologies were received from G. DeBrenne, G. McRostie, V. Lindsay, P. Rogers and F. Dobroszczyk.

All member services were available to members on the night.

Minutes of the December 2010 General Meeting as published in the January 2011 edition of B.K.I.A. were confirmed as a true and correct record. Moved: S. McLean. Seconded: K. Sandercock.

Our Guest Speaker for the evening was Greg Johnston, who at short notice stood in for Vic Lindsay who was unable to attend in January, but would be able to give his address in February 2011. Greg gave a very interesting account of his time in Papua New Guinea carrying out a study on the animals, birds and other fauna of the area adjacent to the BHP mine at Ok Tedi. Greg supported his address with many photos of the area and its birds, amphibians, animals and plants. He also included graphs detailing the topography of the area he worked in. We were also shown photos of the mine area and the huge developments taking place. Kym Sandercock proposed a vote of thanks to Greg for a very entertaining address and made a presentation on behalf of members.

Following the Guest Speaker the raffle was drawn. The President congratulated those who won prizes and thanked our corporate sponsors and in particular those members who had also donated prizes to the raffle.

As there was no further business the President closed the meeting for supper.
